

**875—71.9 (89A) Alteration permits.**

**71.9(1)** Alteration shall not begin until an alteration permit has been issued by the division.

**71.9(2)** Application for an alteration permit shall be in the format required by the labor commissioner and shall include drawings and specifications of all planned changes and the fee specified by rule 875—71.16(89A).

**71.9(3)** Issuance of an alteration permit shall not be construed as a waiver or variance of any requirement of law.

**71.9(4)** The alteration permit or a copy of the alteration permit shall be conspicuously posted at the worksite.

**71.9(5)** If a complete installation permit application was submitted for a CPH pursuant to subrule 71.5(3), at least seven days' advance notice of each CPH jump shall be provided to the labor commissioner. For a CPH installed without an installation permit prior to July 1, 2008, a completed alteration permit application shall be submitted to the labor commissioner at least seven days before each CPH jump.

**71.9(6)** The alteration permit shall expire upon the earlier of the completion of the alteration as described in the permit application or 120 days after issuance. However, between 90 and 110 days after issuance and upon submission to the labor commissioner of sufficient justification and other required information, an extension of the alteration permit may be granted at the discretion of the labor commissioner.
